

West High School IB Program Essay

Name _____

Date _____

As a part of the application process for the West High IB Program, students are required to complete a written essay, or submit a portfolio of superior written work (a minimum of three samples of the highest quality) completed within the past year.

If you choose to write the essay you must formulate a question or hypothesis statement to which you can respond in writing during a 60 minute time period. You will be allowed no notes.

Recommended subject areas for the essay or work portfolio are listed below. If you wish to write an essay or submit completed work from other areas of interest you must get prior approval from Mr. Goldstein, IB Coordinator.
